

# Brittany Corbett

## Curriculum Vitae

Georgia Institute of Technology  
School of Psychology  
Atlanta, GA 30332

Email: brittanycorbett26@gmail.com

### Academics

Bachelors of Science in Psychology – Awarded 12/2016  
Georgia Institute of Technology

### Awards and Honors

- Georgia Tech Faculty Honors (Spring 2015)
- Georgia Tech Dean's List (Spring and Fall 2014)

### Professional Affiliations

- President of the Georgia Institute of Technology's Psi Chi National Honor Society Chapter (2015)
- Cognitive Neuroscience Society

### Research Experience

Georgia Institute of Technology

Memory and Aging Lab – Audrey Duarte, Ph.D.

Undergraduate Researcher – 12/2014-Present

- Designed an fMRI study analyzing how neural activity during the presentation of emotional cues can predict the successful encoding of emotional pictures in a subsequent memory paradigm and how this differs in healthy older and younger adults.

Sonification Lab – Bruce Walker, Ph.D.

Undergraduate Research Assistant – 5/2014-12/2014

- Assisted a graduate student with his Master's Thesis investigating the effects of searching for items on cell phone while driving. Duties included: running participants and statistical analysis of data

### Posters

Corbett, B., Weinberg, L. & Duarte, A. (April, 2016). The effect of unexpected negative events on encoding. Poster presented at the Cognitive Neuroscience Society Conference, New York, NY.

Corbett, B., Weinberg, L., & Duarte, A. (April, 2016). The effect of expectation on emotional event memory in younger and older adults. Poster presented at the Cognitive Aging Conference, Atlanta, GA.

### Presentations

*Something emo this way comes.* (January, 2015). Talk presented at Georgia Institute of Technology Memory & Aging Lab Meeting.
